

## **BUSINESS & PLEASURE/TEAM BUILDING**

The ability to play golf indoors creates a whole new environment for the "Corporate Golf" day. The Cyber Bunker Indoor Golf Centre has provided the ideal venue where you can get your colleagues together for a social event and actually play your entire round, tee to green, in the "clubhouse" together. No one misses out on the action with everyone playing nearby in the one venue. Don't get lost outside in the elements and enjoy a true team-building experience. An instant replay of that spectacular shot provides for many laughs and cheers from the collected gallery. At The Cyber Bunker every day is perfect for golf, plus the added advantage of food and beverage service right to your golf bunker as you play. Treat your staff or clients to a game of golf on some of the finest courses in the world, without leaving the country or even Canberra. The golf is so convincing and real, you will feel like you are playing the actual course as you drive, chip and putt your way round the Royal and Ancient St Andrews, Pebble Beach or any of the other 30 courses. Bunkers, wind, trees, long grass - they're all real, and if you hook or slice, then, unfortunately that's exactly what happens to your ball. If you are looking to make it easier for non-players, tee up in a team format like ambrose where golfers and non golfers combine into teams. Team play is a great leveller, watch the action heat up as each team battles for ultimate supremacy. Just wait until it is your turn to try and sink that slippery 18 metre putt to win the match. A popular choice for local businesses is 'Breakfast @ the Bunker'. Join us in the morning for your weekly meeting, a bite to eat and then an hour of golf before starting the workday. For more information contact us or view our [corporate facilities](#) under 'In the Bunker' and ask us about opening times to accommodate your meeting, breakfast and golf packages. If you have limited time or want to keep the price down consider playing your golf by the hour, otherwise choose 9 or 18 holes and take your time. If you want to combine business and pleasure you can always step into our conference room to clinch that winning deal!
